

BRSC AGM 2020: PROPOSED CHARITY FOR 2020/21

“SPONSOR OUR STUDENTS”

Dear Member,

As always at the AGM the Committee seeks your endorsement for the charitable cause for BRSC to support during the next year. In 19/20 thanks to your generosity we raised £1173 for Bath Mind and we will seek an early opportunity to present that money to them when it is safe to do so.

This year we would like to propose that we focus on young people in our area who are very much in need of support and join the Bath Rugby Foundation “Sponsor our Students” programme.

The cost of sponsoring a student through this programme for twelve months is £600; we believe is an achievable target even though Covid – 19 will undoubtedly have an adverse impact on some of our major fundraising events.

This is a local programme, it has a resonance with Bath Rugby and the wider community and it will make a real difference to a young person struggling with all kinds of challenges in their life at an extraordinarily difficult time.

The link below provides some further details of the programme:

We believe that this would be a very good thing for BRSC to support in 20/21.

Once the consultation period is complete you will be sent a voting form and I hope that you will be able to endorse this recommendation from the BRSC committee.

Allez Bath!
